The Premises:

A quiet basement flat half way up a fairly steep hill about 5 minutes from the station. Plenty of parking at the bottom of the hill. At present the entry phone is faulty so I had to make a quick call when I arrived so that Terri could let me in. Other than that slight problem the flat is spacious very comfortable and, on a cold day, warm in the bedroom and the bath room.

The Lady:

Terri is a lovely, lovely lady. She describes herself as 'Asian' because she is of mixed Chinese, Thai and Filipino heritage. Language is not a problem she speaks English like a native with a wonderful singalong twang that anyone who travelled to the Philippines would remember. She can chat about whatever you want to talk about, listens closely to what you say and is always trying to make your stay a pleasure.

The Story:

Terri was dressed in a revealing black and lacy top hiding very little of her lovely body. Long black hair with a slight auburn tinge. She is a very pretty girl petite in size but still shapely. She spent a long time getting to know me while applying a comfortable massage, Gradually she began to concentrate on the fun spots. She knew I was very sensitive anally. It was an absolute joy. She was more than happy to use her strap-on as I requested and brought me to a wonderful climax.

I knew that I could not come again so she continued with a fine massage after I cleaned myself up. I dressed slowly while Terri lay on the bed. We ended putting the world to rights and getting to learn more about each other. I will certainly return when I am in the area!
