The Premises:

Modern block close to Paddington rail station, easy to find. Nice from the outside, unkempt & dirty on the inside. Could do with a refurb.

The Lady:

Nothing like the photos on the agency website, could be her but verging on B&S. Looks a lot older, maybe 33, more of a 10/12 than the size 8 agency say she is. Tits seen better days too, not what's portrayed on the highly photo shopped agency pictures at all.

The Story:

Nice enough woman, offered all services listed on the agency site in a matter of fact way, very mechanical in her delivery.

Highlight if there was one was the OWO to CIM in front of the mirror but you could tell she'd done this a million times before, a well rehearsed routine.

When we fucked she faked it, then tried to make me come before I wanted to, urging me to fuck her and shoot my load.

Below average punt from a below average girl. At £200 for the hour I'd expect something more.
