The Story:

I picked Greta as I've not seen her before and her sexy toned body attracted me. She's beautiful and can see why she's got lots of good reviews. She might be young at only 18 but she's definitely experienced and knows what she wants in the bedroom! I had so much fun with her, she took charge and I basically let her do whatever she wanted. Her owo skills are so good that I came pretty quickly in her mouth. She seemed to enjoy that, didn't even spit or make a face like some girls do. That's a turn on. I'll be seeing Greta again very soon.
