### The Premises:

Well documented by many this is a clean, comfortable, and exceptionally well maintained and managed establishment, good rooms, plenty free, adjacent parking and the gorgeous and efficient Millie at the helm.

### The Lady:

Striking brunette, very pretty facially, warm smile, great legs, perfectly formed bum, pert breasts with nipples to die for. Slim, shapely and gorgeous.

### The Story:

Roxy does not have regular days so this appointment has taken me a while to get together but very excited at the prospect. Big smile and kiss from Roxy to greet me and felt myself blushing and getting very hard at the same time, wow. Face down on couch, which wasn't easy, and an excellent massage to all parts of my back and legs culminating in Roxy reaching between my legs and stroking my old man and balls till I nearly had a very happy but very premature happy ending. Roxy oiled herself up and slid that lithe body of hers all over me and several more rubbings of cock and bum. Turned over and didn't try to conceal how happy I was at Roxy's skills. Roxy was happy to allow me to caress her bum, legs and breasts and soon had those amazing nipples hard and in my mouth to suck as Roxy slid across my front. Could feel the end was nigh and so could Roxy as copious amounts of oil was deployed to my cock and a very happy ending soon followed. Will scrutinise the weekly rota to arrange another visit to Roxy.
