The Premises:

Discreet entrance, good parking (free). I arrived a little early and was shown to the room (in the attic) to wait. The room was clean, large, with a big metal framed bed. There was a bathroom next to the bedroom. There were several tasteful erotic prints on the wall as well as several strategically placed mirrors. There was a film review magazine to while the time away.

The Lady:

Foxy's pictures on the MKE website are good but in the flesh she is stunning. She has an infectious laugh and has the sexiest body I have ever seen. She was wearing a tight fitting white dress that emphasised her curves (and they were something to gaze at). It had the shortest hemline short of indecency and she was wearing stockings and suspenders underneath.

The Story:

I heard Foxy approaching on the stairs and tossed the magazine back on the table. She peeked around the door and her smile lit the room up. That was followed by the sexiest of laughs and suddenly we were in each other's arms; kissing deeply exploring each other's bodies; squirming against each other. Out of breath we broke apart and Foxy suggested we undress. In her case that meant getting out of her oh so tight white dress, while I struggled to keep up with her. Eventually we met together kneeling on the bed. Foxy had left her bra and panties and stockings and suspenders on for me to explore.

More deep kissing and stroking, I started to explore the edges of her panties so she rolled over and helped me out.

That revealed her delicious smooth pussy and I lost no time in kissing my way down to it. On the way I paused at her breasts, They are a delight with bigger nipples than she shows in her profile. Maybe she liked what I was doing to them.

Lying between her legs I explored her with a finger while addressing her clit with my mouth. I must have been doing something right as she made little whimpering noises and jerks of her hips when I got close to the right spot.

I suggested a 69 and she rolled over for me to straddle her face, Then followed a delicious feeling as she sucked me deep inside her mouth as I played with her pussy.

We straightened up face to face and I lay back and watched an expert play with me. The feeling of watching and feeling as her lips slid up and down my shaft was exquisite.

Next she straddled me and pressed my shaft against her pussy as she rose and fell; it felt as though I was fucking her with the first few inches of my member. I was getting quite close by now and that little trick put me even closer.

I suggested we change to the doggy position and get a view lined up in one of the mirrors. She enthusiastically agreed and knelt on the edge of the bed. Did I say she has a gorgeous bum? Well she does and the sight of my cock sinking between those cheeks as she slid them back and forth enthusiastically plunging me in and out of her was too much to bear and I came.

After a while panting from our exertions we lay on the bed and cleaned up chatting about everything under the sub. She has a fascinating history

Two outstanding wishes I have left for next time (and I hope there will be one), one to manage to get a view of us in the mirror, and the other to finish in the missionary position with those gorgeous breasts squished between us as her pussy milks me dry.
