The Premises:

GFE Bury is a really tidy parlour, you can get a cold drink before going into the room. The rooms are excellent with decent showers, a towel and a clock on the wall, so you can time yourself aok.

The Lady:

She has a lovely slim figure, which I thought was size 6, but she told me is actually size 8. She has a tight & toned figure and is very attractive indeed. A great attitude, very smiley, dead friendly and easy to get along with. Early twenties I would guess. She has pert breasts and a few tats here and there. Long natural hair and when I met her she was wearing sexy lingerie, stockings and suspenders and looked ravishing.

The Story:

After the initial chat, Brooke asked for payment up front, which I thought was rather unusual. Never the less, when she returned, things just kept getting better there on in. She kept kissing me throughout the service, not DFK as I had mentioned that I'm not a fan, that is until I really get to know the lady. I really liked the way that Brooke listened carefully and took on-board all of my requests with a lovely smile and very cheery manner. Oral, was spot on and she delivered it just how I asked, giving loads of attention to my balls and the little fella, who wasn't so little by that stage.

When it was time for the show to begin, she climbed on top of me and gently eased herself down, nothing quite beats an attractive woman in that position. Even got me thrusting back the other way, like a youngster again, as she looked so hot and sexy with that nice smile and her frequent kissing. Real GFE.

Missionary was really pleasant, interspersed with a lot of passionate kissing, smiling and sounds of two people enjoying some time together, nice lady indeed. Her legs all over the place, wrapped around me, up in the air, pulled up tight to my kneeling body, every which way. Possibly she reached a nice place, certainly seemed that way anyway. I was really pleased by the look on her face, made it so much more enjoyable for me as well.

Into regular Doggy and some more fun, then doggy with Brooke face down legs together, before a nice sensual finish in spoons. I really was turned on by this lady and couldn't have asked more from her. She then gave me a satisfying hand job to the finish line. Great fun, good value for money and another lady I want to keep on visiting.

We both showered thoroughly at the end, even got 2 knocks on the door from the receptionist, although we had only overrun by a few minutes.
