### The Story:

Leah, came into the room, with a lovely big smile, and put me at ease straight away! Lots of kissing and caressing, the only let down was she doesn't like receiving oral? Lot's of apologies and she promised to make it up to me, and didn't she just? Gave me the sloppiness and wettest blow job I have ever had, ecstasy? All the while I was fingering her, and I'm sure she came twice? On went the plastic and she got on and rode me, enabling me free reign with her fantastic tits, finished off in the doggy position, admiring her lovely bum? I think we went over time slightly, but she did not clockwatch in the slightest, all in all a fantastic time! Will I return, too right I will
