### The Premises:

I visited Rose in a flat half-way between Notting Hill and Bayswater. Her boudoir seemed to be half of a very large bed/sitting room which was curtained off – I would guess to make it more “cosy”. There was a very soft and bouncy bed and a large TV - which I ignored (the TV, not the bed!). Easy to find, decent pub just around the corner, plenty of space, and all just fine!

### The Lady:

I initially met Rose through AW where she seems to have inherited a previous girls profile – the photos are totally misleading, and she admitted that they are not even her. Her gallery on Olina is all photoshopped, as usual, but at least they are recognisable as her – the one where she’s leaning forward to her shoe is the most accurate.

Rose is not ultra-slim, which is my preferred figure type (remember Yumi?), but she is very attractive and has a very feminine curvy body with very luxurious natural boobs. Service-wise, she is one of the best escorts that I’ve ever been with, and that’s a good incentive to return on a regular basis.

On this occasion Rose was wearing some nice intricate black lingerie with heels and a fluffy festive gown over the top, which soon vanished. A very lovely and charming young MILF.

### The Story:

For some reason Rose’s AW profile was not answering my requests despite the green flag, but she’d previously told me that she is also with the usual agencies and so I contacted Olina – I had a confirmed booking and her new address within a few minutes!

From the minute I arrived, Rose was friendly, welcoming, and unusually affectionate. A lot is made of the so-called GFE, but Thais generally do not enjoy kissing (me!) which is a fall at the first furlong. Rose is a very warm, passionate and responsive girl, and she seemed to appreciate my efforts at erotic massage to get us both comfortable and in the mood.

This then seamlessly progressed into a session of mutual and then concurrent oralisation (i.e.69!).

Rose's OWO was both skilled and enthusiastic, as was the face-sitting and then straight sex on the bouncy-castle bed – no need for lube.

I tentatively requested anal and yes, she does actually provide it, unlike many others that conveniently claim, "too big!". In fact, this was my first time since Thailand over three months ago, and Rose did not hesitate and took a long and deep session like a true star. Wow!

Amazingly, the hour was up, and it had been absolutely filled with intimacy with very little talking – I wasn't rushed at all, but was fully satisfied and happy to be out exactly on time.
