The Premises:

Basement flat a stones throw from Queensway. Not plush but Donna's room is cosy with an en suite bathroom with the usual shower over the bath. The door seemed to open automatically and Donna ushered me in, when I looked back it was her flat mate Indie who had opened the door. She was hiding behind the door but what I saw of her made me pencil her in for a future visit.

The Lady:

I've seen a fair number of these Thai ladies over the past 18 months and Donna has to be one of the sexiest. She has a wide and sensual mouth that I couldn't stop looking at and she puts it to very good use. I much prefer natural boobs but Donna's enhanced ones are well done and not too hard.

The Story:

Once in her room I was offered a drink and a shower. A shared one wasn't offered, (I think I've been spoiled in that regard by my numerous visits to Jessie). Once on the bed Donna treated me to a great session of kissing with that sexy mouth of hers, some of the best OWO I've had from a Thai, a 69 where I savoured a very sweet pussy. Any woman who can make me pop 3 times in about an hour is a star in my book.

My only niggle is that I don't think she feels confident enough when it comes to spoken English to engage in conversation. But what she lacks in chattiness she certainly makes up for in service. She even gives a very good massage in between rounds so I'll definitely see her again. Very much recommended.
