The Story:

Had a nice time with Kiki, physically she's every man's dream. Nice big titties, blonde hair, perky arse, cute smile, slim. She is really sweet and nice and up for pleasing you in whatever way, so much so that she asks several times throughout 'that good baby?' which is kinda hot. Her being slim means you can twist and turn her into all sorts of mad positions and she'll go along with all of it, moaning sexily the whole time and begging for more. Makes you feel like a real porn star haha! Her blow jobs are insane as well, proper sloppy and deep, as you'd obviously want it to be. A good punt all-round BUT there are only a couple of issues I've got to add:

1. She was 30 mins late. I know this happens and whatever but she was barely apologetic about it.
2. Her English is bad, and I mean really bad. I guess she's only just moved here from romania in the last year or two! If she can work on it then i'd probs see her again.
