### The Premises:

Newplace for me. In an anonymous building in central MK. But well decorated and kitted out much like a hotel room. Just right for the occasion.

Parking nearby is very convenient. Entry by buzzer.

Nice shower and comfortable bed, which is what you want for the action!

### The Lady:

Angel is tall, especially in heels. That was the first thing I noticed. She is pretty with a fab slim figure. Just as I wanted.

What the pictures on the web don't show is that she has a pretty face is well groomed with lovely soft smooth tanned skin.

### The Story:

Wonderful experience. Not going into too much detail.

A fairly predictable sequence for a vanilla sex experience. Which is what I wanted.

She started to unbutton my shirt, but that was taking too much time so she told me to get them all off. Soon we were both naked. And what a wonderful site. We kissed, I fondled her bum and boobs. ( lovely and natural, a good handful and kissable).

Soon onto the bed. OWO, fondling her body and fingering her pussy (nothing inside).

My turn to lick pussy. She lay back with legs apart. An amazing sight. I just love that, when you have a gorgeous woman, naked with legs wide apart waiting for you to take your pleasure.

Well I sucked and licked until there was a pleasurable result for Angel. I am always sceptical about WG orgasms (how many can they cope with in a day?), but it seems genuine and she was very sensitive afterwards to my touches of her pussy.

Sex in several positions until I came inside her.

Wonderful.

Showere and clean up before leaving satisfied.

Thank you.

You are a gorgeous hot Angel to me.
