The Lady:

Sarah is a petite lady(around 5ft), very pretty and slim. She closely resembles her website photos with a lovely smile.

The Story:

Sarah greeted me with kisses and hugs. Once inside she changed to red pvc/latex outfit as shown in pictures on website, which was a sight to behold especially with her high heels on.

Pace moved at a relaxed pace which didn't feel rushed at all. We had the whole range of oral and sexual delights ranging from gfe,owo,dfk,and sex in various positions, with a little bit of mild dom thrown in for good measure. She is eager to please and enjoys deep kissing alot and lost track with how long we deep kissed for.

Afterwards Sarah finished off with a very nice massage that almost put me to sleep.

I enjoyed my time and will likely come back again.
