### The Premises:

About 5 minutes walk from the Marble Arch end of Edgware Road. Bedsit room with a small bathroom. Not much else to say as Mia said she would be moving in 2 weeks to another place very close by. She has made the room very cosy.

### The Lady:

Mia is a very attractive Thai lady, slightly older than the usual girls but extremely sexy. A lovely slim body with well done enhanced boobs. She's very friendly and chatty. Her English is good so holding a conversation isn't a problem. Finally!

### The Story:

This was the third time I'd seen Mia in about 14 months and after the booking I decided I should start seeing more of her. Upon entry she poured me some wine then we shared a good old fashioned snog, she really is a fantastic kisser.

I enjoyed a great session with Mia. A lot of time was spent paying attention to a very sweet pussy as she loves RO. I will be back in the not too distant future.
