The Premises:

Place is stone throw from station - easy to find - very good directions as usual.. Place was clean and neat with an en-suite bathroom...

The Lady:

Superhot, very feminine body and face, curvy and smiling. Very poor english from a TG. Gorgeous c-cups (slightly enhanced but soft and nice). Very friendly and aiming to please.

The Story:

Buzzed in to block and walked up 2 flights of stairs and the door was opened by the girl and was shown in to a good sized bedroom with en-suite bathroom... She got me in the bath for a shower and washed my hair then ran the bath while I was in it.. She joined me in the bath and that was very good.. Had fun with her and when I got out she used a hairdryer on my hair..

I wanted a medium massage and she was happy to comply - the time just flew by cause it was very very good massage...

All in all a good visit and I would consider going back to see her again
