The Premises:

GFE is a something of a hidden gem. It's tucked away in a quiet part of Bury, just shy of the edge of town. I only found out about GFE 2 or 3 weeks ago and I was excited to check it out. The 'customer car park' is small, but luckily there's space for 2 more directly opposite the parlour's entrance and there's plenty around the corner.

The Lady:

Once inside, the large reception area is very impressive. Brightly lit and warm with cappuccino decor and sturdy brown leather furniture. . I was introduced to 3 very attractive girls and eventually I chose Elektra. She looks exactly as her photos show but now has impressive and extensive tattoos on her legs. Of the 3 girls I met, Elektra seemed the most fun, smiled the whole time during our 'meet & greet' and, as is usual with me....she had the nicest arse. Done deal!

The Story:

After using the en-suite shower, I sit on the large circular bed and take in my surroundings. Again, coffee colours everywhere and more brightly lit than other parlours. This was new to me. Elektra walked in and asked what am I into? What do i like?' No time-wasting with this one. I show her the bag of clothes I'd brought with me for her to try on and she's more than happy for some dress up. Lovely! On with the party hat and as is de-rigour these days it begins with a covered BJ. The room I was in (Room 1) has a mirrored ceiling which is a nice touch. I think all room ceilings here are mirrored. From here it was my usual cowgirl, reverse cowgirl, mish and then head-down doggy positions, all of which were perfect. We chatted the small stuff afterwards and I'm happy to see her again. She's good fun and attractive enough to make the effort to see a second time, and something tells me this will be for the full hour! I slept very well that night and I will certainly return. Elektra is as dirty as me and I like her a lot!
