### The Story:

I have just joined PN but have been punting for several years.

I have seen Apple on several occasions, but not since November. She is truly beautiful and very easy-going.

There are any number of perfectly acceptable but far from exceptional service providers, but only a handful who are able to offer a high-class experience. Apple is one of them and sex with her is fantastic. Details aren't necessary but you won't be disappointed.

I would highly recommend her.
