The Lady:

About 6ft in heels, accurate description on website, age hard to say circa 25-28. Photos are a good likeness and I have always found Angel very attractive. She had a lovely skin colour, very smooth long and toned legs and a most wonderful pair of tits.

The Story:

Walked in the room and Angel was just drying off from a shower.. She returned in a black lace bodie and heels, she looked stunning. Some light kissing and then some admiration and attention to her legs and a flash or two of her amazing tits. She pulled the bodie to the side to show her pussy and put one leg on the bed, I promptly got on the floor to eat her pussy for a good while. Moved to the bed for a some cock sucking and sex with her legs on my shoulders..

Truly stunning in every way, only downside is she is hasn't been on the London rota for a me to enjoy her again!
