The Premises:

Location is quite nice, in a quiet neighbourhood a few minutes walk from Queensway, Bayswater. A descent new-ish flat, bedroom is spacious and tidy with a couch for some foreplay. Clean bathroom outside that must be shared with her flatmate.

The Lady:

Very petite Thai in her late 20s. Big enhanced boobs, but they fit her frame well, not too over-the-top. Shoulder length hair and dark/tanned skin. She has that typical southeast Asian looks, super cute.

Fully shaved downstairs, with a couple of tattoos on her back.

The Story:

I requested Sarah to wear her "school girl" outfit for our meet, shown in her profile pictures at Olinas, which she did. She looked very sexy and innocent in it. Once settled in the bedroom, she offered a drink and I accepted wine, we then sit on her couch and shared a glass, kissing and touching each other in the meanwhile. I begin undressing her and take off her top, then eventually get her fully naked sitting on my lap, kissing her nipples while she massages my cock and balls.

I eventually get her on her knees in front of the couch to start giving oral. She gave good OWO with lot of balls licking and tongue teasing but she was a bit too aggressive and toothy for my liking, I had to tell her to go more gently at some point. We switch places and now she is sitting in the couch and I'm going down on her tiny shaved pussy. RO and fingering, she is responsive and makes sexy high pitch moans and gasps. Nothing too fake or exaggerate, quite natural.

At that point I was more than ready to fuck her, so we moved to the bed, she fitted the condom on and we fuck cowgirl first, then RCG with her squatting, then mish. Lots of DFK during and her cute sounds and facial expressions. Some eye contact but she tends to look down too much, would enjoy more if she was looking at my face throughout. Her tight pussy and enticing reactions had me cumming in no time.

She cleaned me up and provided a back massage (more of a back rub really, nothing remarkable),

then we move to cuddle and kissing on the bed, I try to get a little chat going - Her understanding of English is good but she's not able to speak much, though she's not shy and tries to get the message across even if that means using the translator on her mobile.

Round two she moves from our cuddling and playtime in bed to more OWO, then mutual oral on a 69, when I fingered her pussy and rimmed her ass. Once again she got too fast and toothy with the oral and I had to tell her to slow down and be more gentle. This broke the mood a bit, unfortunately, but otherwise was enjoyable.

After a while I tell her I want to fuck her doggy, so she covers up the ol chap once again and I move to stand while she stays on her fours on the side of the bed. She took a long and deep pounding there and seemed to have enjoyed it. Then mish again followed by spooning. I was having a hard time cumming in the condom now, so I told her I was going to need a hand, heheh. Then I sit on the couch and let her suck me some more, then lube and a handjob until I pop on her pretty fake tits.

Had a solo shower then back into the bedroom, she gave me some water and I handed her the money before leaving with a few more kisses at the door.

Sarah was an excellent GFE, overall. Cute girl and nice service, one to return to.
