### The Premises:

Ego Massage is located in the Old Coach House, whose address is given as 39A Aylesbury Street. It is not actually in Aylesbury Street, number 39 is in Aylesbury Street, 39A is a separate building behind it. It is accessed from the service road that runs behind the shops, parallel to Aylesbury Street. It is here that you will find a free council car park. Hence entry to the Old Coach House is very discreet. It being a Saturday, the car park was almost full, I got the last space, As I had arrived early, I decided to check out the neighbourhood for alternative parking. There is also a free council car park at the corner of Napier Street and Victor Road, about 100 yards from the Old Coach House.

### The Lady:

Jamie's photos do not do her justice. True, she is not quite as slim as her photos suggest, but they not show how good looking she is. She has a beautiful face and boobs any glamour would be proud of.

### The Story:

Rather unexpectedly the session started with Jamie fondling my left ankle. I now know my left ankle is an erogenous zone.

The session progressed from sensuous stroking to overt sexual stimulation. Along the way I received all the experiences the other reviewers received, so there is no point going into detail.

For some reason I was not feeling particularly horny on that day, something to do with being 70 perhaps. Jamie is very uninhibited and did all sorts of things to arouse me including things that I asked her to do. As a result I experienced intense sexual pleasure, that caused my whole body to shudder, but did not get quite the explosive 'happy ending'.

The only low point came as I kissed her goodbye at the door, when she called me darling. I don't much like being called darling by a woman with whom I am not in a relationship, particularly when she is young enough to be my granddaughter. I find it patronising.

However it has not put me off seeing her again. Next time it might be a good idea to stoke up on

Viagra.
