### The Premises:

Clean and comfortable with a friendly maid. Place has been described many times.

### The Lady:

Alice is lovely - tall, statuesque English blonde with smooth, creamy skin and an amazing, all-natural pair of G cups.

I would guess she is a size 14 - an hourglass with all the sand in the right places.

### The Story:

Alice is warm, friendly, and sensual. She does not kiss at all, but this was made clear by the maid beforehand so not a problem. She made up for it with a great ear nuzzle, which always sends electric sensations up and down my spine.

Covered oral was great, I had to stop her before there was a premature explosion. She got on top - the view was amazing. I usually can't get enough sensation to climax from covered intercourse but Alice managed it.

Definitely one to repeat.
