The Premises:

A basement flat - brightly decorated and spotlessly clean. The room where we had it away was what I've come to expect of HoD. Slightly suggestive art-work on the walls, and a big bed. Welcomed by the maid, and hidden in the Laundry room, presumably while another punter exited.

The Lady:

Blake is tall, and very fit. If she has been surgically improved, it was done by an expert! She was all that the web site had led me to home for and a good bit more. She greeted me in a bikini, which I helped her out of. Flashing eyes, really "naughty but nice".

The Story:

My needs in my old age are simple, and I find it better to go for an English Lady so there are no misunderstandings. When Blake joined me in the room, looking wildly desirable, we kissed deeply and I asked to have a shower, and was swiftly led to the bathroom, where I failed to find hot water, but no matter! I returned to the room clean in body and dirty minded, and was swiftly rejoined by Blake, whereupon we retired to the bed. She kept her shoes on, which I like, and I found that she is a magnificent kisser, with expert hands and a body to explore with pleasure. She also is a nice dirty talker, if like me that turns you on. She expertly brought me to a shuddering climax, and thereafter stayed close and cuddly while I get my breath back, and then we talked about dogs and horses and late trains until my time was up. So many ladies jump up as soon as the punter has cum, which I find to be a big turn off. I'm very much looking forward to finding one of Blakes's London days to coincide with one of mine, so that I can enjoy her again.
