The Lady:

Helen is a beautiful Estonian redhead. Her pictures on the website are accurate. She has perfectly shaped breasts.

The Story:

The maid showed me into the room nearest the front door and quickly supplied me with a welcome cold drink. Helen soon entered wearing a red mini dress and a leopard print thong. She was a little nervous to begin with so we started with a mutual massage which led to me going down on her, slowly licking her to a shuddering climax. Now suitably relaxed I declined Helen's offer of fellatio instead indicating I was ready to mount her. We fucked and I quickly came. A lovely tender gfe.
