### The Premises:

Close parking, safe, discreet entrance. Clean and tidy rooms but only one shower (not really an issue). The maid was very helpful and polite on the phone.

### The Lady:

Krystal is slim, has a pretty face, an all-over tan and a few tattoos. Her boobs are small and enhanced. I have to be honest she's didn't look as nice as her photos.

### The Story:

I had booked to see both Morgan and Krystal separately, back to back. My half an hour with Morgan (prior to seeing Krystal) was amazing, so I need to try not to compare the two. Having said that the two experiences were poles apart.

Like I said Krystal is a pretty young woman but the experience was far from memorable.

Once Krystal entered the room we lay on the bed and with her lips pressed tightly together she kissed me once on the lips, kind of like the kiss you get from your grandma...definitely, not the French Kissing I was expecting! I then received a blow job (without a condom) which was nice but over too soon. It was obvious Krystal just wanted to get this over with. So on with the condom and after trying several positions I finally came. I struggled to come because I put off by all the fake moaning. I really hate when girls do that, men aren't stupid, we do know it's put on. To be honest I too was glad it was over.

Not a great experience, a bit rushed, no FK or RO offered...no real personality either. Sorry Krystal but I can't recommend the service you gave especially when compared to the incredible service offered by Morgan half an hour earlier...a different league!
