The Premises:

Convenient location and Tara provided easy directions. Lovely space that relaxed both my wife and I and was a comfortable environment for what was to come.

The Lady:

Website does not do her justice. Lovely woman whose personality only enhances her more obvious assets.

The Story:

First couples experience beyond some vanilla Couples Tantric massage. Tara, not vanilla. She created a relaxing, fun, sexy space to comfortably explore our boundaries. It became a great evening of fun, laughter and sexy exploration where whatever boundaries we both thought we had disappeared. Thanks for a great evening and you can guarantee when back in London will see her again!
