The Premises:

Former pub in a quiet inner city area of East Manchester. Plenty of on street parking. Discreet back entrance, after passing through 2 security gates. Quiet during my Sunday afternoon visit.

Decent facilities, good en suite shower & plenty of towels.

Room had no windows though & was too dimly lit for my liking.

The Lady:

Curvy, size 10/12 Jamaican lady.

30 something.

Website photos are a few years old & don't capture her great curves.

Friendly & easy to chat to.

Magnificent tits!

The Story:

First time seeing Candice & she gave me a good service.

She came into the room as I was still in the shower & stripped off quite quickly, it was a really hot day & the room was windowless & warm.

I was surprised at how big her tits are, I'd only seen her website pics & they don't do them justice.

I'd say bigger than the DDs it says on her profile.

Naturals too.

One of the finest pairs I've ever had my hands on!

Great arse as well which I had a good feel of as I sucked & buried my face in both boobs.

A bit of gentle fingering, after asking first, as I sucked on her nipples.

Candice then gave me a good owo BJ, DT & a little bit of ball licking.

She has lovely soft lips.

It was my 2nd punt of the day & with the heat as well I decided to lay back & savour her oral skills.

She sucked me off to completion, not finishing until I was more or less dry.

I plan on returning for fs & to see more of her great curves.
