The Premises:

Nice apartment opposite Sainsbury in an area with lots of bars and restaurants. Very clean and en-suite bathroom. It was a scorching hot day but the apartment wasn't too hot to be fair.

The Lady:

Serena has a body that you will be lucky to see ever again. Very thin teenie body with a great rack almost making her seem out of proportion. Great bum, smooth, olive skin, long dark hair to complete the look. Right up my street as I do go for the teenie type but this usually means forfeiting a decent pair of boobs. Not so in Serena's case. Facially quite pretty and in her early twenties. Bingo!

The Story:

I saw Serena once a few years ago when she was new and rarely go back for 2nds as I do like variety. A few mediocre reviews made me anxious too but her pictures on the website and twitter drove me crazy and I had to satisfy my curiosity. I'm glad I did.

As soon as I arrived Serena was full of smiles and energy. I took a quick shower to freshen up and left the money on the bed. When I got out Serena had already removed her lingerie which was a bit disappointing as I was looking forward to doing that myself. After some brief introductions I pulled her in for some lovely French kissing. Serena moaned softly and this turned me right on.

Serena told me to lay on the bed and set about taking me in her mouth. Her technique was very good with lots of licking and plenty of eye contact. This lasted a few minutes until I asked her to 69 me. She duly obliged and pushed her pussy right into my face. I gave it a good licking and pushed my tongue in as far as I could. She seemed to really enjoy this. I certainly did too.

After a good few minutes of oral I laid her on the bed and started a bit of missionary. Slowly at first with the pace increasing. Once I felt the time was right I went top speed which seemed to take Serena by surprise. I think she liked it. Plenty of kissing and attention to those incredible boobs throughout.

I then suggested Serena go on top. Again, she very willingly obliged and sat down reverse cowgirl. I shuffled us over a bit so I could see her bouncing on my cock in the mirror. This was pure ecstasy. She adjusted a few times until she ended up squatting on me with her feet planted on the bed. I had both angles of this wondrous sight and I loved it.

I then span her around and she rode me cowgirl. Again, lots of kissing and attention to her world class boobs. I held her still by grabbing her perfect ass and absolutely went for it for a few minutes which we both really enjoyed. This really was such a good time.

Time to finish so I put her on all fours and entered her from behind. I would stay just inside her and randomly enter. I repeated this several times and she made all the right noises each time. I found a rhythm and went up through the gears until I was absolutely pounding her. A few moments later and I exploded inside her. She sort of moaned and chuckled which sounded like she appreciated it. I certainly did.

A quick assisted clean up and a little chat and I was on my way. I promised to write a review and I'm a man of my word. This was such a good punt Serena may be one of the few girls I'll see for a 3rd time. High praise indeed. Thank you Serena.
