### The Premises:

Easy to get to flat in Milton Keynes, plenty of parking available and it was free after 6pm. Apartment was in a block and had to press a buzzer to get in, and was let in straight away.

### The Lady:

Supermodel build, and what an arse! If you like your girls thin with firm boobs and an arse that's begging to be fucked; then you can't go wrong with Valentina

### The Story:

I was shown to a room by one of the other girls, who also offered me use of their shower; which I accepted as it had been a very hot day! Coming out the shower I met Valentina, who suggested I grab my stuff and we should use the larger room which also had a fan! Given the heat, that was much appreciated. Valentina also offered me a drink, which she went to get while I settled in.

On her return we got the paperwork out the way and I let my towel fall to the wayside; a blur of DFK, OWO, RO, and covered sex and my half hour was all but up! Lovely girl, made me feel very welcome and clearly wanted to do everything she could to make me cum! I'll be sure to book a longer session next time I'm in MK, this is a girl who deserves to be savored.
