The Premises:

Nice place.

On main Rd in Crewe town centre.

10 minutes walk from train station.

Decent sized, working shower in the room with warm water, shower gel & fresh towel.

Front & back entrance, the back obviously more discrete.

I used the front to enter where the barber & his customer next door clocked me with a knowing grin.

I exited the rear way.

The Lady:

A sexy, dark haired 20 something Northern babe. Website description & pics accurate apart from the fact she has a lot of tattoos all over her body, I already knew this from the reviews she has on the C.E website so wasn't surprised.

For me they enhanced her attractiveness.

Small natural boobs, toned & a fantastic juicy arse.

Easy to get on with.

Chilled but engaged & attentive.

The Story:

My first time with Saffron turned out to be one of my better recent decisions.

The most enjoyable punt I've had for ages.

Lots of French kissing, a very enjoyable, skilled, sensually slow owo BJ with teasing tongue, a DT that felt amazing & ball licking (all whilst sat on the bed in front of the open window in the warm room as the summer rain fell, added to the thrill for me), sex in Doggy as I played with her wonderful bum then Mish with some RO in between which she seemed to enjoy (no fingers).

Finished with CIM which was really good.

Saffron was fresh & clean at the start & showered afterwards which she told me she always does.

Great girl & service.

A kiss at the door goodbye & I left with a smile on my face.

£60 well spent.

My new fave WG.
