The Premises:

Familiar building in Chelsea, 5 min walk from the tube, easy to find 1st floor flat. Trouble-free but fairly mundane place to visit really. Shower/bathroom is basic but perfectly functional.

The Lady:

Medium-height, mid-20s, great figure and super-tanned, Daria looks great and has great sparkling eyes. Pictures are fairly representative of what you get to be fair.

The Story:

I had seen Daria before but not for quite a while so it was good to get there and find that she remembered me. After I took a shower, we spent the first part of the booking chatting and catching up before getting on to the fun. She started with covered BJ and has a very good technique, before we then moved on to various positions, doggy perhaps being best, but ended with mish. Her performance is good and I reckon would be up for a lot more beyond my fairly vanilla requirements.

You can't really go wrong with Daria though. She is fun, confident, and looks great. What's not to love?
