The Lady:

Slim toned Brazilian beauty. I can't imagine anyone being disappointed when they see her. She is the lady in the photos.

The Story:

Magnificent.

I could leave it there as she has positive reviews from everyone who sees her, and they are all deserved. Normally I wouldn't bother with a review for someone who has garnered such immense universal appeal, but on the basis that I really enjoyed my time, I felt I would quickly concur with all previous reviews.

Incredibly easy to talk to, our discussion ranged from Orthopaedic surgery and metal implants through to why England Rugby underperformed / weren't as successful as hoped/expected in South Africa, all topics were two way conversations.

Loads of eye contact as she moved about my body, she is stunning facially as is her body, wow, what a lovely 45 minutes.
