The Lady:

WoW ! She looks stunning in her photos but in real life is even better. I can't remember much detail except she is perfect.

The Story:

I've long wanted to see an Ebony babe but never found the right one.

Millie ticks all my boxes and then some. I was completely mesmerised by her looks and personality as soon as she opened the door.

She immediately had me relaxed and turned on.

She is a great kisser and is heavenly to carress, she has great oral skills too.

I wanted to enjoy my 30 mins, but sadly was too turned on & I peaked too soon, seconds after sliding into her delicious and tight pussy.

She gave me another massage and we had a nice chat until my 30 mins was up.

But I am hooked and will definitely be back to see her again.

Highly recommended even though I wish I could keep her to myself.
