### The Premises:

Erotic Studios is located in a quiet street only 15 minutes walk from Birmingham City Centre and there is local street parking. The entry is secure and the welcome is always genuine. There are a number of rooms that are well appointed, clean and tidy. A fan was available as this was a very hot day. This was my second visit to this establishment and it lived up to my expectations. Shortly after arrival each of the available girls comes to introduce herself so that you can make a choice. In my case this was a difficult one between a mixed race girl called Coco and an English girl called Sarah. I chose Sarah. As I left I noticed another blonde and very attractive girl so the location does offer a good choice.

### The Lady:

Sarah is a curvy brunette in her late 30s with large breasts, a shapely bum and covered in tasteful flowery tattoos. She is a very English lady, highly intelligent and a pleasure to meet. The photos of her on the website show her with blonde hair and of course do not do her justice.

### The Story:

Having agreed a basic service, Sarah allowed me to enjoy her body firstly wearing very attractive bra and panties and then totally naked. She allowed me to explore with my tongue and seemed to enjoy the experience. Sarah then returned the compliment and we thoroughly enjoyed a few minutes of intimacy and chatted until my time was up. A very pleasant young lady that I shall enjoy meeting again - but only on Mondays.
