The Story:

I'm not going to go into too much detail. I don't write a lot of reviews, but after my experience with Michelle I felt compelled to leave some feedback.

Every now and again you have an experience that recalibrates your expectations. My visit to Michelle was just that type of experience.

Her service and delivery makes me rethink what I previously thought was the best.

In addition she is extremely friendly and puts you at ease immediately. Conversation was easy and Michelle's English is basically perfect. No communication issues at all.

As said I'm not going into detail, but would just say that Michelle gave me the best oral I have ever had.

I can't recommend Michelle enough she really is that good. I hope to be lucky enough to see her again.
