The Premises:

Discrete premises just off a main street with no signs and enclosed foyer. The room I was led to was spacious, aesthetically pleasing and seductively lit, with some judiciously placed mirrors to enhance the experience. Very nice shower room that adjoins which can be used before and after. A perfect setting for an erotic massage.

The Lady:

All the right curves in all the right places! Beautifully smooth skin, fragrant, with a delightful personality that immediately relaxes you.

The Story:

I never knew I had so many places on my body where I enjoyed being massaged! Starting with a (literally) feather-light touch, the slow and teasing caresses gradually become more firm and intimate. Jenny uses all of her fabulous body and considerable skills to arouse your senses in a beautifully varied and sensual experience. I thoroughly enjoyed my time at Hush and would highly recommend.
