The Lady:

Words cannot do Jessica justice, but I will do my best. She is approximately 5 foot 9, slender figure, with curves in all the right places, and the kind of beauty you'd only expect to see in the movies.

The Story:

Those who have read my reviews will know that I'm not a confident man in the bedroom, which really affects my sexual performance; so I often leave without actually having sex. Well I can assure you that this wasn't an option with Jessica; she cannot help but turn you on.

We started with some kissing, and then she gave me oral, which was incredible. Although I was enjoying it, I wanted to enjoy her exquisite body, I asked her to lay down, so that I could kiss and carress her perfect body. By this time I was truly in the moment, and found the little chap standing to attention, so we moved on to sex. Jessica started first with some mind blowing cowgirl, so I could admire her perfect physique; making me feel like the luckiest man alive. We then moved onto doggy style, and the sight of me entering her, combined with her perfect bum, was almost too much. We switched to missionary, and then my mind gave out to the perfect bliss, so I can't tell you much else after that.

Honestly guys, respect Jessica, and her boundaries (listed on the website) and you will have the best punt of your life. I wanted to right this review straight away, but it took me over an hour to be able to string a sentence together.

How on earth am I the first person to write a review for this lady; I have just had the best sex of my life, I enjoyed Jessica's company, and she is truly stunning to boot. I will definately see her again.
