The Premises:

Lola has her own basement flat near the Warwick Road exit from Earls Court station. Parking is never easy around here but usually possible with a bit of patience after 6.30pm, when the meter parking becomes free of charge. Lola's flat is very spacious, clean with lots of special touches in her party room, I lost count of the mirrors! Shower facilities are adequate and clean.

The Lady:

Lola is a little taller than most thai ladies, probably around 5'5", but nearly 6' with her heels on!!! She matches her photos closely, maybe they were taken a year or two ago, probably mid to late 20s but refreshingly no stretch marks, no garish tattoos and no kids yet.. she has an adorable figure, and silky smooth skin. When she smiles she lights up the whole room, but I am sure becomes more relaxed and happy when she is at ease with her client.

The Story:

Apparently Lola has had some mixed reviews so I was determined to see her at her best, so took a little gift (a black lace mask, you may get to see it!) and took care to make her feel at ease. The one disappointment is that she was not keen to share any degree of passionate kissing apart from a peck on the lips, but in all other respects she was amazing. She seems to love being on the receiving end of some TLC to her sweet pussy, and after she had cum, became an absolute cock worshipper for what must have been an hour or more! I think every angle was covered and the long deep attention she gave me at the same time as a prostrate massage will live long in the memory! She is going to be around for a while, so enjoy, with or without the mask!
