### The Premises:

Ego Massage is located in the Old Coach House. It is accessed from the service road that runs behind the shops, parallel to Aylesbury Street. It is here that you will find a free council car park. Hence entry to the Old Coach House is very discreet. There is also a free council car park at the corner of Napier Street and Victor Road, about 100 yards from the Old Coach House. The Old Coach House is comfortable and clean. The showers are operated by a push button and deliver a fixed volume of water, if you need more water you have to push the button again.

### The Lady:

Jess has been photo shopped. She is heavier in the leg and her bum is bigger than her photos indicate. If goosing is your thing, you will need a big hand to squeeze one of Jess's buttocks. On the plus side her boobs are magnificent. Considering their size and that they are natural, they hardly droop at all. What her photos don't show, is what a beautiful face she has.

### The Story:

The session went differently from the others I have had at Ego. Jess did not give me a full body massage by sliding her entire body on mine. She kept her hold-ups on throughout. However her massage technique was good, using her whole hands and sometimes just her finger tips. She gave me some very stimulating reach unders, I had to try hard not to cum too early.

It was not until I was lying on my back that Jess stood at the head of the table. So there were no close up views of her pussy. She then bent forwards over me offering her boobs. Her boobs were just above my face so you can guess the rest. She then moved to the side of the table and it was then on with breast relief for a 'happy ending'.

She did not rush me into the shower as soon as I had cum, but continued to stroke my body and asked if I was feeling relaxed. She then started rubbing my feet, which she said were cold and she thought they needed warming up, which they did as I had been wearing sandals and no socks. This was very wonderful way to end the session with a lovely and considerate lady.
