The Premises:

GFE Sheffield is a tidy and pleasant place to visit. Friendly welcome by the receptionist, clean towel and good working showers. Plus a complimentary drink.

Handy car park.

The Lady:

Young lady in her early twenties, very attractive and wearing an underwear two piece, rather like a bikini.

The Story:

I journeyed across to Sheffield to see this very attractive young woman and was so glad that I did. Alex is blonde, early twenties, nice slim figure, largish enhanced but very soft breasts, large nipples which I really enjoyed sucking on. She is loads of fun and dead friendly. As soon as she introduced herself with a big warm smile, I sensed that this was going to be a very enjoyable punt.

I just asked for a regular GFE with dfk, owo and a lively session in the room. Money sorted, dived in the shower and then she entered the room with her cheery smile soon as I had dried. Straight into the action.

Lots of kissing and at my request DFK, which I must admit was really good as she was poking her tongue into my mouth loads. Her owo was excellent and I loved her spitting onto my cock and attending to my balls at the same time. Plenty of good eye contact which made it so much more fun.

When I went down on her, she let me know that she was enjoying my attention, particularly when I gave her some light rimming, as she was as clean and fresh as a daisy. Short clean finger nails paid off, as she was more than happy for me to finger her at the same time. Paid trumps, as she didn't require any lube for the main part of the session.

Onto some mish interspersed with a lot of kissing and pleasant sounds from Alex, plenty of kissing plus some really exciting vocal encouragement, great feedback letting me know she was enjoying herself too. Doggy and some gentle bum slapping and then some good old girl on top, with her

grinding away. Simply love that view, of such a beautiful woman looking so happy.

Finished off with an energetic hand job from Alex and me, whilst she played with her dildo and I had a perv over her lovely figure. What a great punt, well worth the journey, a really pleasant and cheery young lady who was so accommodating. Highly recommended.
