The Lady:

she was a stunner to be honest. I thought from her pictures she looked amazing but as everyone knows that doesnt always tell the full story. But in this case they were accurate wow what a girl. model material for sure.

The Story:

When she answered the door i was mightily impressed. She was stunning and one of the best looking escorts i have met in my time. added to that a smoking body and you will know that i was very pleased. She was also a very nice person. we didn't chat for long as i was turned on straight away due to her looks.

Once we started to kiss with full tongues i knew i was in for a good time. she was enthusiastic, great at everything i.e. she kissed great gave a great blowy and naked she was just wow.

She let me fuck her mouth her tits and her pussy (three ways) and acted as though she wanted it. Hopefully she did!!

when i came she didnt just sit up and think thats it like most. she was happy to kiss and wind down in a far more sexy way.

highly recommended both for looks, attitude and also skills.
