The Lady:

the girl was very beautiful even more than on her pictures, she looked very young at around her 20's she's also got incredible deep blue eyes very light skin and I think she was Russian.

The Story:

it was a very enjoyable experience spending some time with Sasha she was great from the very moment we met till the last moment she was incredible spontaneous warm and very kind, we didn't have much time to talk as we only spent one hour together but it was more than enough to see how great her skills are too she was sexy naughty and did everything I was wishing, to be honest, I don't think it could have been any better.
