### The Premises:

see other reviews, nothing to add, except I believe I was in the smallest room this time and the shower was fine.

### The Lady:

quite stunning, fantastic boobs and very pretty. Very friendly but English a little limited. Still I don't tend to talk much anyway.

### The Story:

Very nice massage but I was getting a bit worried about the time so felt a bit rushed to get out in 45 mins, which I had to really as the train back to Bletchley is hourly so didn't want to miss it. I will try for 60 mins next time. When finally the b2b started it was heaven especially when she was on my front. I couldn't last long and exploded very satisfactorily in her hand. Would love to see her again but the journey is quite a trek for me involving 3 trains. How I wish there was a branch of Ego in London!
