### The Premises:

Plush flat on a quiet back street in Pimlico, a minutes walk from Vauxhall Bridge Road. Room was ensuite.

### The Lady:

Scarlett is a stunning tall, slender English woman with an amazing figure bearing just the right hint of curves. The pictures are accurate.

### The Story:

I had to wait about ten minutes but the maid was very good at keeping me informed so I didn't feel forgotten. Scarlett entered the room still sporting the stylish bob haircut in the pictures, wearing a black choker and lacy wrap to give the proceedings a bohemian air as if I was in an old style bordello. I would describe her as a bit kooky, friendly and eager to please. Slipping off the wrap she revealed a matching pink bra and thong. After a bit of a kiss and a cuddle I invited to massage me which she did tenderly, taking her bra off to rub her perfect breasts up and down my back. I then returned the favour, kissing her all over before licking her cunt. She responded with a sloppy blowjob before climbing on my cock. We fucked in several positions, finishing in doggy with a wonderful view of her beautiful bottom. We then relaxed in each others arms for a few minutes. Would definitely see Scarlett, friendly and natural. A real GFE.
