The Premises:

Was very impressed this is the first parlour I have ever visited. My boyfriend had checked out the place for me. Wanted my curiosity satisfied, always wanted to visit one-- been a long time fantasy. Not really had a full on , satisfying experience with a girl. Have always been a bit underwhelmed as they were not prepared to be adventurous enough. The lovely receptionist asked if I REALLY wanted this, I assume they get couples coming where the man wants it, but the lady is not so keen. Then Electra came out and asked me the same question, very re-assured by their professionalism.

The Lady:

Had looked at the website and was delighted to see the pictures were accurate. Electra is a lovely person, which was AS important as anything. She is VERY pretty, gorgeous figure-- perfect I would say. curves in the right places, all over tan-- HOT!! Could not wait to get her upstairs

The Story:

My fella sorted out the paperwork, then we followed her upstairs-- what a lovely round, peachy bum to follow. Electra left me to shower and returned to find me wrapped in a towel on the bed-- was VERY nervous but excited. She stood me up, removed my towel and complimented me on my body- super girl. I think she was happy, although I am 45, if I do say so, thanks to my local gym, I am pretty, slim and toned!! Anyway, what a start, without hesitation we had a great, long, sloppy French kiss. Spit trails linking our tongues, sucking and slobbering over each others mouths- really hot. Then Electra asked me to spit in her mouth-- always wanted to do this and then we were off! Much spit swapping followed, I loved the filth of it. Then she had me lay down and spread my legs, very noisily she ate my pussy and asshole, slobbering and sucking at me, probing her tongue and fingers deep in both my holes. While she did this, she also slid a dildo in my wet pussy and pounded and licked me until I squirted all over the bed--sorry Electra. Then I had to taste and smell her. What a gorgeous wet pussy she had by this point, I licked and sucked at her pussy and asshole, returning her favour. Loved the taste of her salty hole. Then had her doggy style, my fella spread her bum cheeks so I could smell her aroma and tongue her anus. Got my tongue as deep as I could into her bumhole, which she seemed to enjoy. Then asked if she would fuck my arse with the dildo. Again, doggy style, my fella spread my butt cheeks and Electra lubed my arse by licking and spitting on my asshole-- then proceeded to fuck my arse, deep and fast while she played and

fingered my pussy, had a massive orgasm. I sucked her fingers clean after she managed to get 4 up my cunny. Between each position change the sloppy, spit swapping kissing continued. We ended up in a sweaty, wet mess after a GREAT half hour. Will be back to see you again you lovely filthy girl. Next time, now I know her, he will pay and leave me to it! He will have to be content with reading about it-- HA HA HA. Cannot wait for next time Electra
