### The Premises:

HOD 2

### The Lady:

Slender and tall

Body for me is a 9/10

Facially 7/10

Quiet

### The Story:

In her defence

I think we prolly didn't click

I was tired and had booked back to back

Ended up having a 30 minute oral session

Which I think she enjoyed

I didn't bother trying to come

I read a recent review and it's clearly a case of circumstance

Also facially she's not what I anticipated

I'd put her at 21-23 years old

Maybe on another day we'd have had a more shagtastic meeting

I think if I'd had been on form it would have been more memorable

Pretty slim early 20s Romanian lass

No conversation which usually doesn't bother me

She was HOD lass 8 of the week and immediately followed 7

So it's prolly a little harsh to give a neutral as I've seen far worse

But compared to the 7 HOD lasses that went before

She's the only encounter I'll not remember fondly

Having said that

I spent the whole session giving her fanny and ass lots of attention with my tongue and mouth

And a very nice pussy and ass she has

I think she enjoyed it

But that's the point I guess  
I'll never know  
I suspect in a year or so she'll become a HOD star  
With a bit of facial work she could be a 10/10 stunner
