The Premises:

Nice and easy, very location in Bayswater, close to the tube station. Not a bad apartment, but her room was a temporary arrangement I believe, it was a bed in the kitchen. Hats off to Carmelia though, she did a lovely job of the place with lights and candles and such. Shower was fine with clean towels etc. A nice place.

The Lady:

Carmelia is very petite, small and slim. But not overly slim like so many girls these days. She has a beautiful pert ass and perky boobs. She's says she's only 20 years old, and I have to say that I believe her. She looks like her pictures, but her hair is a little shorter now. Lovely looking girl, really lovely. Speaks great English and likes to have a laugh.

Totally recommend!

The Story:

She seemed to be in a bit of a hurry when I arrived, but it was just a little nerves I think. Once I'd showered and came back into the room, she had started undressing. Her body is every bit as good as it looks in her pictures. It's a shame she undressed so quickly really, she was wearing a lovely matching set of red knickers and bra, with a red and black silky corset thing with suspenders hanging off it. Red lipstick and heels. It was only when she took those heels off that I realised just how little she is.

Took a while checking out her body with her standing in front of me. We did some kissing and got down to it. Her OWO technique is very good, I enjoyed it, I just wish she could have gotten a little more in her mouth. She looked me in the eye quite a lot, which I like, and she was making all the right encouraging noises. Very nice indeed. Moved onto cowgirl for a while. She took it all and really got into it. Switched to missionary for a bit, then from behind with her legs closed. She's really good. Finished with more OWO and hand job. She switched up her OWO by lying down to do it so I could see her clearer between my legs.

Had a great chat at the end and shared a drink, she likes to chat, and she's very cute. Lovely girl, would recommend. Not sure she's here for much longer though, but back after Christmas she says.
