The Premises:

2 minutes from the tube station. Discreet but easy to find location. The apartment is clean. The amount of effort put in the room and the ambience is praiseworthy and sets up the mood really well.

The Lady:

Pictures are pretty accurate, but she is even more stunning in person. A petit figure with amazing breasts.

The Story:

Called the agency and was luckily able to book Jennifer for 2 hours later (she is just back from a 4 month break). I entered the apartment and was greeted by the stunning Thai women. She showed me to the shower while setting up the bed and room. She offered me some whiskey and we had some idle chatting. She is really chill and likes having conversations.

I lie on the bed and she gave me some fantastic OWO and ball licking. Jennifer has a great set of oils she imports from Japan. She keeps them heating on the side and uses them pretty well throughout the session. Lots of teasing; her hands went everywhere and her touches were sensual. Some intense DFK followed by a 69. After some pussy rubbing, she did the classic "put condom using the mouth" and sucked it for a while. We start with cowgirl. Her breasts are a pleasure to play with. Lots of dfks in between. I was close to bursting once but I somehow avoided it. After few minutes of missionary, I have an orgasm. She cleaned me up and offered me a sensual full body massage; which was very impressive. I highly recommend it. We move on to round 2. Similar routine as round 1, OWO followed by cowgirl. We switched positions and the missionary was even better than last time; we both came together!

Jennifer is very dedicated in making sure the client leaves satisfied. She seems to enjoy what she does and always maintains a good connection with the client during the entire session. She is experienced and offers something unique which needs to be tried at least once. I had a wonderful time and will definitely go with her again in the future.
