The Story:

An absolute gem of a lady, what a find.

My first time with Pippa and she was just an angel (albeit a naughty one at that). She was fantastic in the room - i won't go into details but lets just say i left feeling very satisfied.

I also learned we live in the same place, will have to keep a quiet eye out for her.

Think I'm in love.

Great find GFE, girls like Pippa are becoming quite rare, make sure you hold on to her.
