The Story:

I have used this agency before, and always had good experiences so decided to use them once again.

I called GFE London Escorts on the night I arrived from the USA where I had been on business. I took the chance to stay in London and have a bit of fun before travelling home. I wanted a girl near where I was staying in Paddington W2 and the receptionist recommended Natalie, I took a look at her profile on their website and liked her looks along with some of the more interesting services she offers. I arranged for her to come to my hotel and I have to say I was not disappointed in any way. She arrived on time wearing a smart black dress with red stilettos. Natalie is gorgeous and exactly the type of woman I like, she has long blonde hair, is petite about size 8 and her body is the perfect build, curves like a bottle of coke!

We started right away with DFK, then she unbuttoned her dress and was wearing only a black thong underneath. She was stunning, a sight to behold.

I got naked and so did she. After a lengthy BBBJ I enjoyed DATY to my hearts content, then gave her a nice wet rim job. Then she applied the cover and we enjoyed reverse cowgirl, so I had an amazing view of her perfect bum coming up and down as we fucked. We finished in missionary. If I was rich enough I would enjoy this experience more often!

IMHO Natalie is fantastic value and will never dissappoint.

Good looking girl, petite, accurate pictures.
