The Premises:

Block of flats in centre Milton Keynes opposite Supermarket. Busy area but it is a large anonymous block so no one will know what you are up to when going into the building. Showed straight into the room, fairly small but clean and perfectly fit for purpose... although somewhere to hang/place clothes would be nice

The Lady:

A slim and busty young girl with very Eastern European appearance, very pretty with incredible breasts and cute little bum. Was very happy with what I saw!

The Story:

Was welcomed by Serena at the door and taken straight over to the room where she confirmed the length of time, did the paperwork and then she vanished to fetch me a drink. Came back quick and told me to undress... which of course I obliged feeling a stirring in my pants as I did. She removed her bra to reveal gorgeous full breasts which looked very impressive on her slight frame, her panties soon followed to show off her smooth pussy.

Onto the bed and she helped removed my pants allowing my semi to spring happily out. She started stroking him and I told her I would like to come twice if possible. She said that was fine and then proceed to spit and my cock before taking it in her mouth - within seconds it was hard as rock. Serena is a great oral technician and did a few things that caught me by surprise and had me gasping. She asked me to let her know when I was about to come as CIM was not on the menu. She licked and sucked away while I squeezed her cute ass. I then asked if she would like me to lick her pussy at the same time. She climbed on top into a 69 and I had the beautiful sight of her pussy and asshole. I licked her pussy for a couple of minutes while she continued to work on my cock.

I was nearing my climax when she asked if we I would like to fuck - as CIM was available I decided that I would like to come inside her. I asked to be on top and she guided me in. I thrust deep and slow with just the gentlest of kisses on the mouth - now this girl's pussy is delightful tight and it felt so good! I fucked her first slowly and then deeper until I came.

She tidied me up with with some baby wipes and chatted for a couple of minutes - she is a pleasant girl with good English. My cock had remained at half mast and Serena took him back in her mouth until he was at full attention again. She climbed on top for some reverse cowgirl and I watched as her small ass and pussy went up and down over my cock. After a couple of minutes she turned around and picked up the pace which felt so good. With time marching inevitably on, she dismounted and worked at me vigorously by hand. She really tried her best but it wasn't to be and the second coming eluded me (no fault of hers).

Had my drink to replenish lost fluid and then dressed and went back into the cold with a smile on her face.

I would happily see her again, and very cute girl with good attitude!
