The Premises:

Very nice apartment next to Little Venice - back of Paddington station is across the road so very convenient.

The Lady:

Her pics make her look slightly older than she is - she is a vixen and definitely not older than her advertised age (early 20's). Looks after herself really well so in perfect shape.

The Story:

Instead of recounting the whole hour, here's why I recommend her: She is hot, does an incredible BJ, has some stock moves including one where she perches herself against the wall and arches her back for some standing action and does great eye contact throughout which makes for a 'real' connection throughout.

Honestly in my opinion, for what you pay, she is outstanding value.

BTW - I make a point of establishing nationality (bit of a thing for me). She is Romanian -> advertised as Eastern European on the agency website.
